TERMS AND CONDITIONS

1. Quote Validity:

This offer will remain valid for 30 days from the date of this proposal.

2. Payments Terms:

100% advance with PO. All payments must be in favor of **D&D Enterprise** Payable at Vadodara. Order once placed cannot be canceled in part or whole. Payment details are as below.

GST	24AAIFD5364Q1ZX
Bank Name	Axis Bank
Account Name	DnD Enterprise
Account Number	918030017529441
IFSC Code	UTIB0000565
Branch	Manjalpur, Vadodara

3. Taxes:

18% GST will be extra at actual.

4. Warranty:

The cost includes Upgradation and Software support for the period of 12 months from the date of invoice.

The hardware equipment is warranted for manufacturing defects for a period of 12 months from the date of supply. During this period any faults occurring on the system will be rectified, free of cost. This however, does not include physical damage or damage arising out of misuse, improper handling, poor power conditions, water seepage, rodent menace, earthquake, lightning etc.

5. Training:

Free of cost operation training to the concern person during the warranty period.

6. Annual Maintenance Contract (AMC):

- AMC will start after the expiry of warranty period and for the period of one year.
- AMC @ 20% plus tax will be charged on the total invoice value.
- AMC amount for the year to be paid at the start of the AMC period.
- AMC will include Telephonic support and onsite visit for one year.

7. Support

To provide online support to the clients, D&D Enterprise support desk would be the single point contact. The support desk can be contacted on Support.TA@DndEnterprise.com or may be called on + (91) 8511226677 on Monday to Saturday between 10.00AM to 06.30PM.

8. Delivery and Installation of Product License:

We will deliver complete hardware and software as per discussed terms during the PO and receipt of purchase order along with the advance amount.

Matrix License Dongle: Customer has to keep License dongle at the safe place. In case of dongle lost, customer need to purchase all the software licenses again.

9. Site Readiness:

You will have to provide dust free space for the machine. Electrical points should have proper earthing and free from voltage fluctuations.

10. System Software Licenses:

It is the responsibility of the client to procure & maintain original and licensed operating system software, database engines (if required), or any other system software.

11. Extra Work:

All electrical, cabling, carpentry, civil and other work will be carried out by you under our guidance.

12. Declaration of Requirements Satisfaction:

The acceptance of proposal confirms that customer/partner declares that their all requirements are met by features provided in the proposed solution. Any discrepancy is solely customer/partner responsibility. OEM might accept developing additional requirement subject to feasibility tests with extra cost and required timeline.

We hope you would find our offer reasonable and acceptable to you. We shall be pleased to proceed with the installation after receiving your Purchase Order.

Regards,
Shraddha Parmar
